To whom it may concern

I can confirm that Corby Borough Council have employed the services of D.T. Leisure as a sub-contractor for the past thirteen years.

I first met D.T. Leisure through an installation with Wicksteed Playscapes, who were supplying playground equipment for Corby Borough Council. Having seen the very high standard of work carried out by D.T. Leisure, I approached Mr David Turner and requested he submit forms to be on our select tender list.

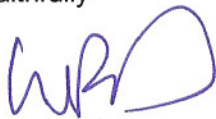

Corby Borough Council have enjoyed an excellent working relationship with D.T. Leisure, who can always be relied upon to be professional, conscientious and deliver work at all times to a very high standard.

D.T. Leisure has tendered for the last four contracts and has been successful on all of them, dealing with contracts worth over a half a million pounds.

Corby Borough Council is very proud to be a partner with D.T. Leisure and submit this reference to you. If you should require any additional information, please contact me on 07763 026 430 or [Lloyd.bainesdavies@corby.gov.uk](mailto:Lloyd.bainesdavies@corby.gov.uk).

You can also visit [www.corby.gov.uk](http://www.corby.gov.uk) for evidence of work carried out by D.T. Leisure.

Yours faithfully

Lloyd Baines-Davies  
Play & Recreation Officer
