Dear Dave

**Re: BMX Track at Upper Bucklebury**

On behalf of the Trustees and Management Committee of the Bucklebury Memorial Hall I would like to thank you and your company for the construction of our excellent new BMX track in Upper Bucklebury. The design and construction of the track was carried out with a minimum of fuss and one or two minor unforeseen problems were quickly resolved. The track is extremely popular with the younger generation (ages 7 to 17) of the village. The success of the track can be judged not only by the number of people using the track but also the many complements we have received from those within our parish.

Thank you once again for a very professional job.

Yours sincerely

Brian Mason

Trustee and Honorary Treasurer
